Hello Shannon,

Yes, that information that I shared with your agency is very pertinent, considering it makes your HAP with that unit noncompliant as of August 1 of 2025.

Yet you are suggesting avenues of resuming payment at the unit of which is uncertified for occupancy per the City of Eugene in July 2025.

I am confused at your emails questioning the status of my port, considering you are aware of my voucher at Linn, as you attached it.

Your emails merely are suggesting continuing payment on an uncertified unit.

Your emails just convolute the entire situation in me relocating.

I am CCing the Portland Field office for HUD as well as HUD.

I am at a loss for words at this point.

Take care,

Sierra V Carbary

[EXTERNAL]

Hello Shannon,

For the record, the unit is under an open City of Eugene investigation, Case 2501591.

The landlords are under active investigation with Eugene Police, Case 2605193.

A relocation of this address has occurred within Lane County GIS & is now reflected in Google Maps.

I am awaiting instruction regarding relocation from the City of Eugene case supervisor.

Homes for Good should be correlating with City of Eugene government & administration regarding the habitability and status of this unit.

I have Cc'd appropriate parties.

Thank you,

Sierra V Carbary

your move out notice.

On June 9, 2026, we received an email from Linn-Benton Housing Authority that you had attended the port-in briefing and had been issued a voucher effective that day.

We need to know if you are still wanting to port out or if you will be rescinding your move out notice.
If you are still wanting to port out, please submit an updated/new move out notice with your new move out date.

If you no longer wish to move/port-out, please submit a statement indicating that you will remain in your current unit.

Documents can be submitted to paperwork@homesforgood.org

If you have any questions or concerns, you may respond directly to this email.

Thank you,

Shannon Baimbridge
